Greetings Forrest Tuff,

This letter is being sent as an invitation for you Forrest Tuff, to be offered an opportunity to appear on Premiear Productions Pre-Recorded Talk Show, 7even. We would be Honored to have You as a guest. This is a talk show that focuses on current events, community, entertainment, education, business, politics, values and living. The objective of Premiear Productions with 7even talk show is modest: Give a voice and a platform to citizens and leaders locally and throughout the world. Motivates and helps citizens understand the importance of people, events, and issues occurring in daily life and in the news. Intentions are to stimulate exploration and to induce the hunger to learn more about news and to pay attention to the news they see and hear outside of school, and work. Topics of discussion have high value to society. Information provided entails risk factors, policy restrictions, statistics, interventions, public health, and functional abilities.

Should you accept this invitation, we are scheduled to film the episode on **Sunday April 19, 2020**. Your time with us will serve as a chance for you to share your wealth of knowledge, as well as discuss pertinent topics of concern for the world as a whole.. You will join a hand selected panel of education and business leaders. Our time and knowledge are two of the most valuable contributions we have to offer. Please know that all of your efforts and hard work have not gone unnoticed and your community values your work, and support.

It would be a true delight to receive your affirmative response. Another email will be sent to you, should you be available to attend. Within that email you will receive the event location, time of your expected arrival, topics of discussion, intended list of questions for panelist, and expected time of the actual recording of 7even with Premiear Productions. In your response, please also let us know if you have any preferred topics of discussion. We are looking forward to hearing from you shortly.

Please RSVP through email.

Kind regards,
