Dear Forrest,

Your project was very interesting. This was the first year we created an honorable mention category because of the quality of these projects.

If you want specific notes on why we didn't make that choice, we are happy to answer. Otherwise, the honorable mention is a win itself.

The goal of Like It Film festival is to connect filmmakers who want to branch out no matter what anyone thinks of their film, so please reach out if you need help with media or info about anyone involved in our festival PLEASE reach out.

AGAIN CONGRATS!

Also feel free to enter new season. We have increase our social media presence by adding more amazing influencers to help get our entrants' films seen by a whopping 100k+ followers.

Use code "returning" to get 50% off future entrants.

Additionally you may have noticed we try to include organizations of charity and helpful work in our categories. Feel free to reach out if you are a part of a group that would like to be involved.
