

April 10, 2023

Dear Forrest Tuff,

Congratulations! We are delighted to inform you that you have been selected as one of *Georgia Trend* magazine's GEORGIA 500. You will be included in the second edition of this annual publication that spotlights the most powerful leaders across major industries and organizations. Selections were based upon nominations and editorial committee recommendations, resulting in a selective guide to the Georgians who impact our state.

The GEORGIA 500 will be featured in a separate publication and includes profiles of each of the leaders. This publication will polybag with our November issue of *Georgia Trend* magazine.

**We ask that you please keep your selection confidential and not release information via press release, social media, etc., until the November issue is published on November 1, 2023.**

One of our writers will be in touch to request information for your profile. They will also ask that you send a high-resolution, high-quality photo to illustrate your bio.

If you are interested in reserving ad space for your organization in the GEORGIA 500 publication, please contact Amanda Patterson, [patterson@georgiatrend.com](mailto:patterson@georgiatrend.com). See the information attached.

If you have any questions, feel free to contact us, and congratulations once again on this honor.

Ben Young

Editor-In-Chief & Publisher  
Georgia Trend
